REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

C. E. Murray High School is located in Greeleyville, a small, rural town in the lower Pee Dee area of South Carolina. We are working diligently to provide our students with the support and encouragement they need to achieve success in a global society.

We offer nutritious meals; a safe, clean learning environment; certified professionals who are exemplary role models; a strong curriculum; dedicated leadership; committed youth and community leaders; parenting resources; a liaison; concerned guidance and community agency counselors; school-to-work opportunities; the latest technology and an afterschool program to aid students with their homework and exit examination preparation; and extracurricular activities to improve the mind, body, and spirit.

We have made great strides toward our goal of excellence in education. Our students have made consistent gains on state and national assessments. Particularly noteworthy is our SAT improvement. We have been accredited by the Southern Association of Colleges and Schools (SACS), met Adequate Yearly Progress (AYP) three years in a row, are one of nineteen South Carolina schools recognized as a bronze school in the nation, and we are a gold award winner for both student performance and closing the achievement gap.

We are making excellent progress with our student achievement and continue to focus on involving our parents and community members in our efforts to help our students achieve success while here in high school and beyond high school.
